I am a corporate Solicitor based in Fieldfisher's London office. I have experience in advising on mergers and acquisitions both domestic and cross-border, company restructures, private equity, joint ventures and general corporate advisory matters.

I enjoy working with teams across Fieldfisher's specialist departments both within the UK and internationally. My project management skills have meant that I have taken the lead on a number of due diligence exercises for high profile clients.

My sector experience includes technology, media, manufacturing, energy and natural resources.
