My practice includes all issues related to intellectual property (trademarks, designs, patents, copyright, unfair and parasitic competition, domain names), in both advisory and litigation matters.

Admitted to the Paris Bar in 2020, I hold a Master's degree in Industrial property law from the University of Lille 2.

Before joining Fieldfisher, I worked for several International law firms, a French IP law firm and a company in the luxury sector.

I speak French, English and Turkish.
