Isabelle's practice focuses on civil and commercial law. She also specialises in restructuring and insolvency law and is interested in intellectual property matters.

She assists her clients in all stages of their business life, including litigation and insolvency proceedings.

She also has experience in commercial mediation.

Isabelle is a graduate of the University of Leuven (UCL) and holds a certificate in "Management of intellectual property rights: strategy, contracts and taxation of innovation" issued by the same university. She is a member of the CAP network of insolvency professionals.

She was admitted to the Brussels Bar in 2007.

Isabelle's mother tongue is French and she is fluent in English.
