My career has spanned both contentious and non-contentious commercial issues across a number of jurisdictions.

I advise individuals and corporates on all aspects of commercial dispute resolution, providing advice on High Court litigation as well as on alternative means of dispute resolution, such as mediation and arbitration.

I have worked on a number of complex and high value commercial disputes across a number of sectors, including telecommunications, energy and EU procurement.

I have acted in matters ranging from breach of contract, to partnership and company/shareholder disputes, to sports regulatory matters, to competition and regulatory disputes (in the Supreme Court).

My experience means that my advice is practical and business-focused.
