I have extensive experience in all aspects of Business Immigration, including assisting with work visas, business visitors, compliance advice and strategy, European applications, indefinite leave to remain, sponsorship and the right to work checks. I have successfully represented clients at Home Office Sponsor compliance audits and advised large multinational companies in relation to preparing for Brexit. I also assist with applications for entrepreneurs, innovators, and investors.

Prior to joining Fieldfisher, I worked at a top tier Chambers-ranked immigration firm in London. I have over 10 years of immigration experience, which includes assisting with complex cases and appeals.

I advise companies ranging from start-ups to large multinationals including in the technology, energy, financial, life sciences and retail sectors.
