I joined Fieldfisher in September 2013. I work within the **Medical Negligence team** assisting Partner Jonathan Zimmern. I have completed my CILEx studies in order to become a Chartered Legal Executive as part of the Step2Success Scheme launched by Fieldfisher in 2013.

I have worked on a variety of claim types, including:

- **Birth injury claims**, including **cerebral palsy**
- **Obstetric claims**
- **Delayed diagnosis of cancer claims**
- **Fatal claims**
- **Surgical claims**
- **Orthopaedic claims**
- **Ophthalmic claims**
- Brain injury claims

In addition to my work on medical negligence claims, I also assist Jonathan with acting on behalf of the Trustees of the vCJD compensation scheme, which manages £67.5m for victims of variant Cruetzfeldt Jakob Disease and their families.
