My area of expertise is focused on Luxembourg investment vehicles and fund structuring, advising and assisting institutional clients to set-up and operate their investment funds and/or management companies in Luxembourg and assisting market players notably in the context of internal compliance with EU rules.

Throughout my 10 year experience, I have concentrated on collective asset management, investment funds (UCITS and alternative funds) and related matters.

I am a member of the Luxembourg Bar since May 2011.

My native language is French. I am fluent in English.
