I have vast experience in providing legal assistance - judicial and extrajudicial - to national and multinational enterprises, operating in the commercial, industrial, logistics, banking, insurance, publishing and healthcare sectors, in relation to private employment relationships - relationships of subordinate employment, autonomous employment, agency and atypical employment, restructurings, advice on handling the employment relationship, recruitments and dismissals, managerial labour, disciplinary proceedings, bullying, deskilling, changes of duties, higher qualifications claims, non-competition agreements, trade union law and disputes, workplace accidents and occupational diseases.

I regularly act as a speaker at conventions on labour law. I am the author of articles for specialist journals and I participate in editing activities for publications on labour law.

I am a member of AGI - Avvocati Giuslavoristi Italiani (Italian Employment Lawyers Association).

I advise my clients in Italian, English and Spanish.
