Proven track record in corporate litigations, negotiations and drafting business contracts. Competent at understanding client's needs, to combine business operations with legal language and a customized approach.

Natural attitude for cross-functional and multi industries environments, in close contact with experts in taxation and organizational consultancy.

Headed Litigation Department, supervising a team of 10 professionals, between litigators and contracts experts.

Executed Corporate litigations, for large size corporations, before the Court or Arbitration's Chambers, representing more than 500 Clients.

Designed and implemented jointly with special commissioner appointed by Ministry of Economic.

Executive Master of Business Administration, SDA BOCCONI, Milan, Italy and Master in Bankruptcy Law and Insolvency Proceedings, IPSOA, Milan, Italy.

I advise my clients in Italian and English.
