I have a particular focus on chemicals manufacturers, agricultural, industrial and medical equipment manufacturers, pharmaceutical companies and insurance companies.

Admitted to the Paris Bar in January 2014 I holds a Magistere (Magistère de Juriste d'Affaires: Corporate Lawyer Magistere) and a master's degree, the D.J.C.E. (Diplôme de Juriste Conseil d'Entreprise : Corporate Lawyer Diploma), from the Paris II Panthéon-Assas University. I also hold a bilingual university degree (Civilisation, Langue, et droit de Common Law: Civilization, Language, and Common Law) from the Comparative Law Institute of Paris II Panthéon-Assas University.

I speak French and English and have some knowledge of Spanish and Italian.

In my spare time I like to travel, dance, read, practice yoga and I never miss an opportunity for horse-riding.
