I am a Senior Associate in the **Clinical Negligence team**. I act exclusively on behalf of Claimants and am experienced in representing families at inquests. I am a member of the AvMA Specialist Clinical Negligence Panel and a member of Apil (the Association of Personal Injury Lawyers).

I deal with a wide range of complex and maximum severity medical negligence claims, with a particular interest in **orthopaedic, gynaecological, surgical, birth injury** and brain injury cases.

I have regularly provided pro bono advice at the Citizen's Advice Bureau at the High Court in London.

What Helen's clients say:

"You have been amazing. From the moment you took over the case, we knew we were lucky to have someone so professional, diligent and compassionate... Thanks to your commitment, you have helped X get some compensation for all she has suffered... You really are a wonderful person and an excellent lawyer. Thank you for all your support."

"My sincere thanks for all the work you have undertaken on my behalf and seen through to final phase. You have been professional and shown empathy throughout

process and explained all stages to me. You are a star."

"Helen, you were brilliant in handling my case - really bright, very sharp, very quick and thorough."
