I recently joined Fieldfisher in January 2020 as a solicitor in the Personal Injury Team. I assist Jennifer Buchanan and Jill Greenfield with their high value, complex matters.

I have managed and assisted senior colleagues with a number of successful and varied multi track personal injury claims. These included claims involving brain injuries, amputations, orthopaedic injuries, pain conditions such as Complex regional pain syndrome (CRPS) and Fibromyalgia and psychological injuries.

Since qualifying as a solicitor in 2017, I have particular experience in cases involving road traffic accidents, accidents at work, public liability cases and occupier's liability cases. I have keen interest in brain injury work and I have had practical training to help support those who suffer from such injuries.

I am a member of the Association of Personal Injury Lawyers (APIL), a body dedicated to representing the interests of claimants who have suffered injury.
