I am a Private Client Solicitor and I qualified in 2014.

I advise private clients on a wide range of matters including wills, powers of attorney, trusts, residence, and domicile and tax and estate planning including the structuring of ownership of high-value UK houses.

My clients include individuals who live in the UK and abroad.

I am particularly interested in advising artists and art collectors in relation to their estate planning and tax planning.

I am currently studying for the Society of Trust and Estate Practitioners Diploma in Trusts and Estates (England and Wales).
