In addition, I advise on corporate real estate transactions such as the purchase and sale of real estate portfolios and the structuring of project developments.

Prior to joining Fieldfisher, I worked for several years for renowned international law firms in Munich, London and Hamburg.

I studied law in Saarbrücken and Münster. As scholar of the Rotary Foundation I received a Master of Laws (LL.M.) degree from the Northwestern University Pritzker School of Law in Chicago, USA, and successfully completed my training as a mediator.

Since I have spent several years in the US, I am fluent in the English language.

I am a member of the German Association of Mediation in Business and Working Environment, the German-American-Lawyers Association as well as the Rotary Foundation Alumni Germany.
