I am a specialist in corporate finance with over 30 years' experience in mergers and acquisitions, flotations and fundraisings.

I have particular expertise in small and mid-size public company transactions on the Official List and AIM Market of the London Stock Exchange, advising both the issuer and the relevant sponsor/investment bank.

Recent transactions have been focused in the energy sector, particularly mining and oil and gas and in early 2018 he advised on the \$189 million placing by Diversified Gas & Oil PLC.

I am ranked by Chambers in Band 1 for capital markets work and as a leading individual in Legal 500. I am also ranked in Chambers Europe and Who's Who Legal and included in The Best Lawyers in the UK.
