I trained via the Paralegal Equivalent Means Route qualifying as a Solicitor in 2018.

I act exclusively for Claimants suffering catastrophic injury, particularly brain injury, amputation and muscular-skeletal injury. My focus is to intervene early to get rehabilitation and financial help in place quickly to ensure the injured and their family recover as best they can. I fight hard for my clients to achieve the best possible outcome.

I am currently developing my own caseload and work closely with partner Jennifer Buchanan assisting on high-value cases including brain and spinal injury, amputation, and fatal accidents. I previously acted for victims of the Croydon Tram Crash and the Westminster Terror Attack.

I am very committed to diversity and inclusion and help support aspiring lawyers with practical advice and presentations.

I won 'The Rising Star in Law' at the We Are the City Awards in 2020 and am ranked as 'An Associate to Watch' in Chambers 2021.

In my spare time I enjoy running and cooking.
