I regularly advise private equity houses and management teams, founders and entrepreneurs on investments, M&A, disposals and restructurings, both domestically and internationally, with a particular focus on technology, life sciences, healthcare and media.

Recent representative transactions include:

- Advising the management of Intelliflo (a leading supplier of specialist online software for independent financial advisers) on the sale of the business by HG Capital to Invesco;
- Advising the management of RGI S.P.A. (a leading developer of software and technological products for the insurance sector) on the sale of the business from Ardian to Corsair Capital;
- Advising the founders and management of White Clarke Group Limited on the management buyout of the business backed by Five Arrows Principal Investments;
- Advising Brookfield on the investment into Greenery International Limited;

- Advising Inflexion on sale of Rhead Holdings to Costain Group plc;
- Advising Alvogen (a portfolio company of CVC) on various product acquisitions across Europe;
- Advising the management of VocaLink on the US\$920 million sale of the business to Mastercard;
- Advising the executive management team of Bio Products Laboratory on the £820 million sale of the business to CREAT Group Corporation (a Chinese privateequity house);
- Advising the founders of We Buy Any Car on the sale of the UK and European business to British Car Auctions (a portfolio company of Clayton Dubilier & Rice) and the subsequent £1.2 billion reverse takeover of British Car Auctions by Haversham Holdings plc.

I am recommended for private equity (mid and large cap) transactions in Legal 500.
