My expertise is in advising clients in direct and indirect tax matters, relating to ordinary and extraordinary issues.

I have particular expertise in due diligence, tax audit, day-by-day consultancy, support activity for M&A, transfer pricing, financial and insurance products, IAS (International Accounting Standard) and derivatives.

I have been registered on the Rome Certified Public Accountant Register since 2004 and on the Italian Statutory Auditor Register since 2005.

I regularly publish articles on financial and insurance tax issues.

Before joining Fieldfisher I was a Senior Manager at one of the “Big Four” accountancy firms for twelve years.

I advise my clients in Italian, English and Spanish.
