With more than 20 years' experience in [corporate restructuring and finance](#), I have extensive expertise in bankruptcy procedures, including assistance to investment funds, notably as concerns investments in difficulty, liability risk prevention, transfer and acquisition, assistance to debtors and creditors in operations of restructuring, collective and amicable proceedings, assistance in acquisition of companies in difficulty, and business litigation, notably in matters of transfer, acquisition, guarantee of assets and liabilities, management and shareholder liability.

My clients span all business sectors and in particular, finance, private equity, and heavy industry.

My university background is based both on law and finance and management and this is a strong asset for understanding my clients' needs.

I am fluent in my native language of French and in English as well.

What others say...

“ Engagement très fort, ses connaissances, sa rapidité et sa disponibilité". Le cabinet conseille souvent des fonds d'investissement de premier plan dans le traitement des difficultés rencontrées par les sociétés de leur portefeuille. L'équipe conseille également les débiteurs et agit régulièrement pour le compte d'investisseurs qui présentent des offres publiques d'achat sur des sociétés insolvable. Elle a notamment assisté Parts Holding Europe dans la reprise d'Oscaro. 123 Venture, TCR Capital et Chequers sont d'autres clients. Bruno Paccioni est très apprécié. ”
